1) Old business

2) New business

a. Review of and action where appropriate with respect to the ideas, interests, complaints, and suggestions made by local pilots and airplane owners during South Carolina Aviation Week.

Each issue to be heard in sufficient detail so as to bring its implications to proper and adequate notice by the Commission. Where required and when appropriate, follow-on steps including raising specific issues with the County Council will be determined.

b. Seek agreement on a regular schedule for Commission quarterly meetings.

A majority of Commission members have indicated that they are not specifically limited to when they may and may not attend designated meetings and that short-term conflicts aside, any reasonable schedule will work. We will seek to come to an agreement on a specific, repeating schedule.

Adjourn the Meeting

Motion to adjourn the meeting.
